

We've Been in Church Too Long

By David J Finklea

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The church is one of the most precious gifts that God has given to the world. He specifically designed the church to answer the heartfelt cries of unbelievers in need of Christ's saving grace. Not that the church is capable of saving thee the world, themselves, but as Paul said, they are given the ministry of reconciliation- that the entire creation might be drawn back to the Father. Yet, what happens when the church needs to be drawn back to God? What is the world to do when the church has been tarnished, and can no longer answer the problems of sin and chaos? What happens when the church needs saving from herself? This small book serves as a commission to the universal church. It is a cry to redeem the essence of being the church, instead of simply going to a building. We've Been in Church Too Long offers helpful insight to key problems within the world and Christian community. It is a call to duty and revival for God's people.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
