Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The subject of urban myths and legends is one I have been interested in for a couple of years now. One person will then be reminded of a story he or she once heard which is then presented as near or actual fact. The story will be introduced like this: That reminds me of a story I once heard . . . or I remember my uncle/aunt/sister/hairdresser telling me what happened to a friend of theirs . . . Some centre on plain stupidity and some on unfortunate coincidences, although some do have happy endings. The connecting feature is that all are told and then retold and come back around in altered forms, and all of them are passed around by word of mouth or, especially these days, via the internet, where they spread like wildfire. These legends (so-called urban, although they dont need...
