RESURRECTING LEE

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The South is distinguished from virtually every other region of our great country. From a military and patriotic perspective, the South, per capita, has more American war heroes and Congressional Medal of Honor winners than any other region in the country. And chivalry continues to live in the South! It is a blessed land of faith, family, honor, tradition, and hope. But it did not become this way by mere chance. Our forefathers established this special region of America, and General Robert E. Lee must certainly be counted amongst those pivotal greats. Lee, an extraordinary gentleman who shares with us his life through his many public and private letters during the most tumultuous time of conflict in the history of the Republic. Through a fascinating collection of letters to his family and friends, government representatives, and critics, General Lee shares his journey down the road less travelled, and unveils a powerful and little-known account of the man, his time, and his motivations. It is a portrait of the private man few have observed, and this is what makes this book so personally compelling and historically powerful! Resurrecting Lee is a work for all Americans to better...
