Createspace, United States, 2012. Paperback. Book Condition: New. 228 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Those familiar with EFT know that it is very effective in helping to quiet down mind-chatter and reduce the hold that negative conditioning and memories have had upon us. Not everyone knows that EFT can also be a catalyst for remembering and Awakening to our true spiritual nature as Consciousness. Near-Death Experiencers have reported that the energy flowing through our meridians is the same energy found in the higher dimensions -- soul or Source energy. The EFT tapping points can literally become portals to the dimension of our unlimited self. The author s hope is that this book and the scripts within will help to facilitate this Awakening in all who read and tap through it.
