## KNOWLEDGE GENERATION AND TECHNICAL CHANGE

Book Condition: New. Publisher/Verlag: Springer, Berlin | Institutional Innovation in Agriculture | Knowledge generation and transfer mechanisms are being transformed in important and controversial ways. Investment in research and development has increased in response to recognition that scientific productivity is tightly connected to economic dynamism. Patent protection has been expanded in order to stimulate higher levels of private investment. Intellectual property rights held by public organizations and researchers are now increasingly transferred to private organizations to accelerate the diffusion and...
