

Television, Sex and Society: Analyzing Contemporary Representations

Filesize: 4.04 MB

Reviews

A whole new e book with a brand new standpoint. I have read through and i also am certain that i am going to planning to read again yet again later on. I found out this book from my i and dad advised this pdf to learn.

(Audrey Lowe I)

TELEVISION, SEX AND SOCIETY: ANALYZING CONTEMPORARY REPRESENTATIONS

Continuum Publishing Corporation, United States, 2012. Paperback. Book Condition: New. 257 x 234 mm. Language: English . Brand New Book. Since the 1990s, the screening of sex on American, British and Asian television screens has become increasingly prolific. Considering not only the specificities of selected sexualised images in relation to popular series, this study also concerns itself with the ramifications of TV sex as well as discussing the various techniques that are used by TV producers/programme makers to establish the cultural worth of their texts in series such as Shameless, The Tudors and True Blood. The contributions draw attention to shifting representations of sex on television away from the authoritarian state and patriarchal order, toward a more democratic form of representation. As a significant and under-represented aspect of contemporary television studies, this is the first full-length academic collection to consider the wide-ranging representations of sex in society on contemporary television.
