Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

HarperCollins Publishers Inc, United States, 2006. CD-Audio. Book Condition: New. abridged edition. 146 x 134 mm. Language: English . Brand New. Santa Fe Rules When successful Hollywood producer Wolf Willett reads in The New York Times of his own murder back home in Santa Fe, he wonders how the murderer will react to this obvious case of mistaken identity. Home again, Wolf is immediately pegged as the chief suspect and, with everything at stake, hires the best criminal defense attorney in the Southwest. With his life and career in shambles, Wolf sets out to find the truth . . . but will time run out before he can puzzle his way through an elaborate web of intrigue and identify a killer who doesn't play by Santa Fe rules? Heat Jesse Warden is at the end of his rope. Imprisoned for the wrong crime, he spends half his time in solitary confinement and the other half fighting for his life because he once was a cop. Then a covert federal agency offers him a chance to get out, for a price. To gain his freedom, he must infiltrate a dangerous and reclusive religious cult in the mountains of the Idaho panhandle, a mission which turns out to be a great deal more perilous than his stay in prison.
