Print on Demand *****.Islamic faith is a blind belief in a supernatural divine power that controls human destiny. Prophet Muhammad claimed to have communicated with Allah in a prophetic trance, but in the cold-eyed view of a trained psychiatrist his religious ecstasy was very similar to an epileptic seizure and schizophrenia hallucination which manifested itself by convulsive attacks and clouding of consciousness.

Hallucinatory drugs can also cause misperceptions of reality. Hence, the people who are under the influence of drugs can also claim to communicate with Allah. When Allah revealed the Qur'an to Muhammad no one shared his experience so that anyone who believed in him had to take his word. But even if a great number of people put blind trust in his claims, sharing beliefs with many people does not prove that Allah exists. The strength of a blind faith cannot materialize or give life to the creature of a fantasy. When many people shared his false beliefs about reality, it became a mass delusion - THE ALLAH DELUSION. Our commonsense says if it walks like a duck, looks...
