Brand New Book ***** Print on Demand *****.Uh, oh, Blossom is in big trouble. Her grandfather warned her not to go beyond the village gates. After all, no caterpillar in Twig Valley has ever ventured there and returned to tell. But Blossom has a dream in her heart-much too big a dream to stay stuck in tiny Twig Valley. For centuries the caterpillars of Twig Valley have lived with a Dark Cloud over the land. For as long as anyone can remember, no caterpillar has become a butterfly. No one has dreamed of being anything more than bugs that crawl in the dust of the ground. Except Blossom. When Popi shows Blossom an ancient scroll, she learns about the Legend of the Dark Cloud with its mysterious riddle. The Legend promises that whoever solves the riddle will dispel the Dark Cloud-and dreams will once again return to the land. Against Popi s advice, late one night Blossom sets out on an adventure to solve the secret riddle. Her journey takes her not only through the village gates but into an unknown land where she meets the evil Dream Thieves. Disguised as friends, they roam the land stealing the dreams of young caterpillars who dare to believe they are destined to soar. Born to Fly is a chapter book for young children, approximately the age level of Charlotte s Web and Bannicula. This charming kids book for ages 4-8 is a read-to-me book for younger children (kindergarten through grade 2) and an I-can-read book for older children. The story features a strong girl character as the hero who faces up to not only the Dream Thieves but also her own fears....
