SELF-EDIT LIKE A PRO: LAND AN AGENT AND A BOOK CONTRACT

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you determined to land an agent, sign a book contract, and celebrate that happy day when your book sits on the best seller table at Barnes and Noble? Once upon a time, I opened the virtual doors of my Publishing Wizard office. My goal was to help author wannabees resolve issues that prevented them from experiencing their Barnes and Noble moment. As expected, frustrated writers beat a path to my door, clutching partial or completed manuscripts in one hand, broken hearts in the other. Surprisingly, every one of them asked the same question. Why don't industry professionals (agents, acquisition editors and/or publishers) recognize my work as a sure thing for next year's best-seller list? Even more surprising was my discovery that, regardless of the diversity of their projects, these writers shared a common problem: they failed to pay attention to writing mechanic errors. Today (twenty years later), unpublished authors continue to arrive at my virtual office, asking the same question which results in the same answer regarding writing mechanic errors. EXCEPT now, I offer frustrated writers a tool that wasn't available before. Self-Edit Like a Pro shares tips and techniques that help writers identify, revise, and remove basic writing mechanic errors from their work before they begin the submission process. This book is the result of my 35 years in the publishing biz as an author, publisher, and acquisitions editor. Over and over and over, I reviewed projects containing writing mechanic mistakes that waved red flags and identified wet-behind-the-ears writers. Then, as now, error-infested manuscripts become reject bait to agents and publishers because of the cost and effort required to make...
