An extremely amazing publication with lucid and perfect answers. It is written in easy phrases instead of confusing. I am just very happy to inform you that this is the best pdf we have read in my own daily life and can be the greatest publication for at any time.

BANGALORE CALLING

Hachette India, New Delhi, India, 2011. Soft cover. Book Condition: New. The employees at the Callus call centre in Bangalore juggle false identities, abusive customers and the tugs of family and community. An Anglo-Indian trainer is aghast at the overt Americanisms adopted by her eager trainees. A van driver who yearns for a son petitions the god Ayyappan by playing devotional songs inside the van. A brash, Jimi Hendrix-loving agent tries to change the music and stokes the driver's deep resentment. A young girl travels across the great divide between the slum she lives in and the shiny glass complex where she works as a toilet cleaner. Through fifteen linked stories, Bangalore Calling explores the social costs of outsourcing ? the erosion of cultures, the displacement of vernacular languages and accents ? in a world that's not yet flat.
