CIVIL SERVICE AND CONNECTICUT (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Civil Service and Connecticut In one of the outlines of this course the subject of civil service reform is classified among the newer ideas in government. Novelty is always a question of degree. Readers of Wells Outline of History need not be told that the whole recorded history of the race is new compared with the uncounted geological eras that preceded it. Visitors to Great Britain know that the New Forest is still called new in that once conservative country, although it was established by William the Conqueror, so that the word new in that case means over 800 years old. I will therefore not hint that the ladies, whose literary skill and judgment are so manifest in all of their publications, have made an inaccurate statement regarding the novelty of civil service reform. I will merely interpret their phrase by saying that the official recognition of this reform in our country is now fifty years old; that the political principles on which it is based were recognized by all of our earlier presidents and are 130 years old; while its ethical standards go back to the decalogue, since any one who accepts a salary to serve the general public and who consciously uses his time and the labor of his subordinates to promote the interest of a faction, is not scrupulously observing the spirit of the eighth commandment, while the hungry place hunters are clearly violating the tenth. It is, however, true that the decalogue, or at least the observance of it, is new to some people. Indeed, we have become acquainted in the course of our civil service fight with some influential Connecticut...
