What few people know, however, is that Frances spent years as a wild sinner, and Charles was a dried-up spiritual prune for most of his early life. Coming from broken and calloused backgrounds, their story is one of triumph, power, and divine intervention. God has miraculously used two unlikely candidates to birth one of the most powerful healing ministries the world has ever known. As you read this book, you will witness thousands of people healed of incurable illnesses. Understand the redemptive purpose of pains and trials. Learn a divinely inspired method of evangelism. Gain an international vision for God's kingdom. Understand the purpose and use of spiritual gifts. See average people transformed into powerful instruments of God. Build your knowledge of supernatural healing. See the benefits of being faithful to God above all. As you follow the detailed journeys of Charles and Frances Hunter, you will learn from their experiences and benefit from the spiritual wisdom they have gained over decades of ministry and inspiration. The Hunters are ordinary people who yielded to God, and they have influenced the world as few others have done.
