BRAND NEW, On the Trail of King Arthur: A Journey into Dark Age Scotland, Robin Crichton, King Arthur and the Knights of the Round Table is one of the world's greatest legends. Everyone knows the story of the boy who pulled the sword from the stone, who was mentored by the great wizard Merlin, who broke the sword and retrieved it from the Lady of the Lake, who was finally betrayed by Guinevere, leading to his final battle and his death on the Isle of Avalon. Yet little is known of the truth behind the great story. This book enters the realm of conjectural history - the blurred middle ground between fact and fiction - to separate the fiction from the facts. Known events are linked to probable facts and compared to imprints on the landscape; the aim being to build a starting point for archaeological investigations, and to finally discover the truth of King Arthur and his Knights of the Round Table.
