By David Finnell

Cell Group Resources, United States, 2005. Paperback. Book Condition: New. 226 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.Looking Upward is a unique small group curriculum resource containing interactive questions for six sessions. It contains scripture memory verses for the group members, Bible application (as opposed to Bible Study), and a weekly devotional for the small group leader. This resource is unique in that it doesn't just teach a group of believers about prayer and intimacy with the Father, it challenges them to enter into intimacy with the questions and gives them opportunities to do group activities between meetings. Small groups are about relationships, not another meeting, right? This resource will draw a small group closer to Christ, fulfilling the Great Commandment. This is the first book in a series called Community Life by Cell Group Resources.
