Language: English Brand New Book ***** Print on Demand *****.It is a time of great achievements for all the scattered variations of the human family, plus those of Alien conceptions. The various conservative philosophies have shaped, have molded and have put into practice the guidelines that govern stellar society. From Amazia, the iron fist in the velvet glove, governs the Universe with justice tempered with a touch of steel. The great mass of thinking, creative and working entities populate a vast Imperium of infinite possibilities. Those, who are taught values by their father, a loving tenderness by their mother, the moral direction by the family, decent habits from friends and scholarly acts from teachers, are the ones who inherit the future and happiness. Those, who are taught the negative values by the father, a negligence of feelings by the mother, a path of laziness by the family, a criminal behavior by the friends and avoiding the wisdom of the teacher, will see only the gutter and suffering. It is to the later Alack Troyus is driven. He is a knight of light in a continuous duel with those of darkness stationed along the jousting field of the stars.
