99 Problems to Be Told to a Plant the Excavation of Its Future Memory

By Berit Jane Soli-Holt

Delere Press, United States, 2015. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.Part performance script, part poetic endeavor, part philosophical meanderings, 99 Problems to be told to a plant The Excavation of Its Future Memory engages words with and through the material they find themselves embedded in/amongst. The project was first intended to be set of aphorisms as part of a performance script performed and displayed alongside plants. The first set of aphorisms accumulated through a spiraling-out from an original set of 13, not necessarily mimicking the growth of a plant or the golden ratio particularly, but following the writer's own convictions and rhythms. The second half, a meditation and index of the first 99 problems was written some years later; returning impossibly and expanding gregariously the pertinent issue of where the grass meets the ground by providing a possible and probable ground from where the leaves of the 99 aphorisms sprouted. Where exactly is this text? Is it on the page or in the photo of the page, in reading it aloud or performing it or is it an archive of a performance of writing it? Where...
