

The Antebellum Crisis and America's First Bohemians (Hardback)

Filesize: 2 MB

Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE ANTEBELLUM CRISIS AND AMERICA S FIRST BOHEMIANS (HARDBACK)

[DOWNLOAD](#)

Kent State University Press, United States, 2010. Hardback. Book Condition: New. New.. 236 x 157 mm. Language: English . Brand New Book. This title deals with cultural politics and American bohemians in pre - Civil War New York. Amid the social and political tensions plaguing the United States in the years leading up to the Civil War, the North experienced a boom of cultural activity. Young transient writers, artists, and musicians settled in northern cities in pursuit of fame and fortune. Calling themselves bohemians after the misidentified homeland of the Roma immigrants to France, they established a coffeehouse society to share their thoughts and creative visions. Popularized by the press, bohemians became known for romantic, unorthodox notions of literature and the arts that transformed nineteenth-century artistic culture. Bohemian influence reached well beyond the arts, however. Building on midcentury abolitionist, socialist, and free labor sentiments, bohemians also flirted with political radicalism and social revolution. Advocating free love, free men, and free labor, bohemian ideas had a profound effect on the debate that raged among the splintered political factions in the North, including the fledgling Republican Party from which President Lincoln was ultimately elected in 1860. Focusing on the overlapping nature of culture and politics, historian Mark A. Lause delves into the world of antebellum bohemians and the newspapermen who surrounded them, including Ada Clare, Henry Clapp, and Charles Pfaff, and explores the origins and influence of bohemianism in 1850s New York. Against the backdrop of the looming Civil War, *The Antebellum Crisis and America s First Bohemians* combines solid research with engaging storytelling to offer readers new insights into the forces that shaped events in the prewar years.
