Atlantic Publishing Group (FL). Paperback. Book Condition: New. Paperback. 288 pages. In today's economy, homeowners are looking for a way to increase the value of their houses in a unique and cost-effective way. According to HGTV, the popular home and garden cable television station, water features are currently among the hottest landscaping trends in the United States. They offer a way to increase a home's resale value and provide a creative outlet for homeowners. Whether you are looking to create a lush outdoor paradise, complete with waterfalls and fish-filled ponds, or you simply want a conservative balcony fountain, this book can show you how to build your own backyard escape no matter your budget. According to the Atlanta-based National Pond Society, there are approximately 9 million pond hobbyists in the United States today. Water features provide a calm oasis for homeowners to visit after a hectic day. Many new in-ground swimming pools are designed around a waterfall or fountain, and homeowners are adding these features to older pools. If building a pool is beyond your budget, consider adding a small stand-alone fountain to partake in this trend. The Complete Guide to Building Backyard Ponds, Fountains, and Waterfalls for Homeowners provides step-by-step instructions and design plans for building a variety of water features. This book provides you with a brief history of how water features have been used in the architecture of past civilizations and how you can assess your design preferences based on these styles. The book will show you how to appraise the size, shape, and topography of your yard to decide which features will work best in your space. You will be questioned on how you intend to use your yard on a regular basis so you can pick a feature that works with your lifestyle. Once you...
