A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Grave Distractions Publications, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.In a departure from his previous books, best-selling author Reverend Michael Carter shares a month long course designed to reestablish your connection with your higher power-no matter what your conception of the divine. **God Consciousness: A 30 Day Journey to God-centered Thinking** reminds us that nothing separates us from God. At the core of our being, all knowledge of the infinite energy of Consciousness, sometime times referred to as God, and its processes resides within us. The daily lessons in **God Consciousness: A 30 Day Journey to God-centered Thinking** will clarify your awareness. Apply the recommended practices to unveil and bring forth your own essence, your own spiritual and innate knowledge. You can do this! Returning to his metaphysical spiritual roots, Rev. Carter is drawing from his own personal experience, and the wisdom he has gleaned from the ageless teachings of A Course In Miracles, Unity Christianity, Religious Science, and Eastern Religious Traditions to compile a spiritual tool kit for the lay person. Encouraging all true spiritual seekers to look within, this 30 day calendar seeks to empower the individual to really embody the teaching that the Kingdom and Queendom of God exists within each and everyone of us, and that this realization is the key to the deep inner transformation we are all seeking, regardless of race, religion, sexuality, political party, or any of the other illusions and delusions this world has to offer. As the old African proverb states, If there is no enemy within, the enemy without...
