Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Passover in the Time of Christ In the following pages no explanation of the Passover as it was observed in the Old Testament times is aimed at. I hope to publish later a fuller account of the origin, growth, and significance of the Passover, discussing from a Jewish point of view several questions which are either omitted or only slightly touched in this pamphlet. Here I have confined myself to a non-technical description of the Passover as it was kept in the days of our Lord. I have dwelt especially on those manners and customs of the Jews which throw light on the Institution of the Lord's Supper or elucidate some obscure passages of the New Testament. I must acknowledge here my indebtedness to Dr. Edersheim's Life and Times of Jesus the Messiah, (Longman) and Temple and its Ministry (R.T.S.). I have also made use of Friedlander's Jewish Religion; the Jewish Encyclopaedia; Hasting Dictionary of the Bible; Keil's Biblical Archaeology; Kurtz's History of the Old Covenant; Rawlinson's Exodus; various volumes of the International Critical Commentary and other well-known commentaries. The illustrations on pp. 4 and 28 are taken from Lane's Modern Egyptian. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
