## Confidence: Self-Confidence

By Alan Mouhli

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Confidence is one of the life keys like eating or sleeping you cant live without confidence, in my childhood I remember that my mom told me that the confidence is life when you dont have confidence in what you are doing you cant live, other ways confidence is life. In our dealings in life find a lot of people who enjoy their personalities with great confidence, and show such confidence not strongly dependent on others as big and their independence, and show confidence in their lifestyle and their movements and their treatment, and the way they talk, in their judgment of things and things, while we meet other people indulged their personalities in others Templates, they have no confidence in his character to be independent of their own, change their lifestyle for people who consider, devising a way they talk to those who heard them, and among those unsure and no confident there are people who have transgressed the limits of confidence to vanity.
