Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is writter in simple words and phrases rather than difficult to understand. You will not really feel monotony at at any time of your time (that's what catalogs are for relating to in the event you question me).

Pearson Education (US), United States, 2004. Paperback. Book Condition: New. 226 x 180 mm. Language: English . Brand New Book. Strategies and solutions for successful VoIP deployments Justify your network investment * The step-by-step approach to VoIP deployment and management enables you to plan early and properly for successful VoIP integration with your existing systems, networks, and applications. * The detailed introduction offers a common grounding for members of both the telephony and data networking communities. * IT managers and project leaders are armed with details on building a business case for VoIP, including details of return-on-investment (ROI) analysis and justification. * A VoIP deployment is presented as a major IT project, enabling you to understand the steps involved and the required resources. * The comprehensive look at quality of service and tuning describes when and where to use them in a VoIP deployment. These are often the most complex topics in VoIP; you ll get smart recommendations on which techniques to use in various circumstances. * You learn how to plan for VoIP security, including prevention, detection, and reaction. Voice over IP (VoIP) is the telephone system of the future. Problem is, VoIP is not yet widely deployed, so there are few skilled practitioners today. As you make your move to VoIP, how will you know how to make VoIP work and keep it working well? What changes will you need to make without disrupting your business? How can you show your return on this investment? Many books contain technical details about VoIP, but few explain in plain language how to make it run successfully in an enterprise. Taking Charge of Your VoIP Project provides the detailed plans you need to be successful in your organization s deployment of VoIP. Through their years of work in the field, authors...
